Pricing is for material submitted to digitally (i.e., digital photos on a CD or memory stick or email, digital video on a DV cassette or other portable media, music on a CD or other portable media in MP3 or .WAV format). Media arriving to us in analog form, i.e., photographic prints, VHS tapes, etc. will cost slightly more depending on the type and quantity of the material. Once we have an idea, we'll provide you with a written quote. Please note: we provide custom quotes for most of our work. Every project is different. If you have questions--call us!
